

*** A New Faculty Representative for Hellenic College must be chosen and voted upon since Mr. Chris Athaneos will not be a student this semester.

Old Business

* The Solarium is back on the agenda. For right now we are looking into finding people to just open up a “coffee shop” type of operation.

New Business

* The position of Recording Secretary has been opened for nominations and those will remain open until the next meeting (Sept. 20, 2007).

* Father Athanasios has been authorized as SGA President to chose participants in every committee in the Administration, except for committees dealing with personal or confidential matters. He has chosen to allow the board to help chose and ratify the candidates for these committees. Also, this is not to be seen as a precedent setting consideration, so future Boards and Assemblies are not bound by this decision.

* Dr. Timothy Patitsas spoke for a couple of minutes on the ethics of beauty in the dormitory. He asked if it would be possible to change the colors of each lobby. This was referred to the Polemanakos Advisory Council.

HELLENIC COLLEGE HOLY CROSS STUDENT GOVERNMENT MEETING

SEPTEMBER 6, 2007 7:02 pm – 9:10 pm

Open Forum

- * There should be an organized Used Book Sale in the dormitory so that we can exchange or purchase books from each other.
- * Fr. Nick authorized the planning and building of a gazebo-type structure somewhere on campus. Mr. Minucci will be coordinating this effort with Mr. Karloutsos.
- * Library Hours were requested to be extended. Mr. Karloutsos told us that it is possible to extend the hours for the Reading Room, so a letter will be written to him and Fr. Joachim in regard to this change.
- * Students would like to implement a “call a driver” program where they would have a the phone number of an authorized shuttle driver who could take people back and forth from the “T” at odd hours.
- * A request was made to form a committee regarding Gender issues on campus. Fr. Athanasios has made it clear that he will take this into consideration.
- * A request was made by OSL (Aaron Walker) to help out with the St. Basil’s Retreat that is held every year. He was referred to the Admissions Department, which is usually in charge of coordinating this event with the School.
- * A request has been made to bring Dr. Muger Roz to one of the SGA Meetings. A time has not yet been established for this proposed visitation.

President’s Report

- * A discussion should be happening regarding Community Dinner night. The Executive Board will bring this up in their monthly discussion with Fr. Nick.

Committee Reports

- * Sept. 22 will be the Panagiri honoring the feast day of the school, beginning at 6:30 pm. and ending at midnight (12 pm).
- * HSA will be in charge of the Greek Independence Day parade. They also brought our attention to the fact that on page 71 of the new Handbook it explicitly states that all seminarians are required to be present at the parade.
- * The Ethics Committee will be looking into the disciplinary structure at the school, and student involvement in it.
